PLOT PLAN

Outline the shape of the building lot, show dimensions, and locate NORTH point. Outline building to be constructed, designate any other building on the same Plot and indicate existing or proposed uses, show dimensions, show set back of front yard, rear yard, and side yards, also locate water and sanitary services. Identify property from deed. Also show and designate any right-of-way or easement on this Plot. Plot plan can be prepared on a separate sheet as long as the above requirements are met.

Satisfactory evidence exists in the field for the location of this lot and its boundaries including the street line and plot plan above, or attached, satisfactorily indicates plot described. To insure the location of the lot, the Building Inspector may require a lot survey by a Registered Surveyor.

Signature of Zoning Administrator or Building Inspector required for Building Permit only.

The municipality assumes no responsibility for grade of street unless such grade has been established and is on record.
