OFFICIAL MAP FOR HANOVER TOWNSHIP

The "Official Map for Hanover Township" submitted for review to the Planning Commission along with a letter dated June 23, 2008 was discussed. Mr. Schmalzer reviewed a comment letter submitted by Lehigh Valley Planning Commission's Olev Taremae, Chief Planner, dated August 1, 2008. The letter suggested sidewalks be added in three locations. Because the areas recommended for sidewalks/walkways were in old established sections of the township, it was recommended that the map should remain as is and to consider those improvements at a later date. Mr. Vail asked the question as to what is considered a link which was explained to be a connection with the pathway(s) system shown on the "Official Map". Mr. Schmalzer mentioned that all other comment letters approved the map as shown.

Motion was made by Chairwoman Susan Lawless to approve the map as shown without any additional changes and to recommend to the Board of Supervisors that the map should be adopted as the "Official Map for Hanover Township", dated June 23, 2008. Motion was seconded by Jim Narlesky, the commission voted as follows:

Lawless, yes; Hilton, yes; Campos, yes; Sterner, yes; Narlesky, yes; Vail, yes; Kuehne, yes.
