7:45 PM: Report from Township Manager:

- Due to the current financial pressures facing the Township, projects will need to be evaluated before moving forward with them. For example, a recent request was made for a dog park to be established in the township. While the request is being taken into consideration, it will be delayed at this time.

7:50 PM: Report from HTCC:

- The HTCC is trying to develop a more proactive way to notify residents of the services and programs available.
- **In order to better introduce this, the Park and Recreation Advisory Board suggests that the HTCC Team designate a volunteer within the Township who holds a marketing background, to help find ways for our residents to be more aware of programs and services available.**

8:15 PM: Communication with the Board of Supervisors:

- **In order to facilitate communications within our township, the Park and Recreation Advisory Board requests that a member from the Board of Supervisors attend one to two of our meetings each year.**

8:30 PM: Motion to adjourn:

- Mike motioned to adjourn the meeting. Bob Roll seconded. *All members voted in favor.*

The next meeting is scheduled for Thursday February 12, 2009.
