

HANOVER TOWNSHIP RECREATION ADVISORY BOARD

3630 Jacksonville Road
Bethlehem, PA 18017-9303
Minutes 06/11//09

MEMBER ATTENDANCE: Betty Soltys, Sallie Bartos, Karen Kennedy, Dave Messics, Bob Roll, and Mike Stasak

7:40 PM: Call to Order: by Betty, seconded by Bob.

Review and approval of minutes from May 2009: Motion to amend the minutes from May to reflect that the meeting adjourned at 8:55 PM, not 8:15 PM, as previously stated. Motion to approve by Sallie, seconded by Bob. *Approved by all members.*

7:50PM: Report from HTCC:

- The HTCC Director is evaluating the family swim passes to ensure that family members are actually with their family and no additional children are entering on that family's pass. **In order to facilitate this process, the RAB suggests a roster of all families and individuals who purchased pool passes be provided and reviewed by the desk person collecting the passes upon entering the pool area.**
- The park and camp programs are currently in full swing. At this time, the enrollment at the parks is higher than that of the camps.

7:55 PM: Park Reports:

- **The RAB recommends erecting signage for "Pedestrian Right of Way" at the intersection of Harriet Lane and Crawford Drive. This is a very busy intersection and can be dangerous for the children crossing to get to Crawford Park from the south, and heading toward the Community Center from the north.**
- **Hanover Crossings North:**
The Hanover Crossings North Park has been dedicated; however, development at the park will not begin until sometime next year. The infrastructure of the development will need to be completed before park development.

8:20 PM 2010 Budget:

- Discussions are ongoing as we assess ideas regarding the direction of the township's parks and recreational areas. The budget will be reviewed again in July and submitted to the Board of Supervisors in August 2009.

8:45 PM: Motion to adjourn:

- Betty motioned to adjourn the meeting; Bob seconded.
All members voted in favor.

The next meeting is scheduled for Thursday July 9, 2009.
