A NEWSLETTER PUBLISHED BY HANOVER TOWNSHIP, NORTHAMPTON COUNTY, PENNSYLVANIA

Patriot's Day Flag Retirement Ceremony

**Wednesday,
September 11th
at 6:30 p.m**

In memory of those who perished during the tragic events of September 11th and as a symbol of solidarity and support of the members of our Armed Forces who protect our freedom around the globe, we will again be hosting our **Annual Patriot Day and Flag Retirement Ceremony**.

We encourage township residents to drop off their worn and tattered American flags at the Community Center so that they may be properly retired during a Boy Scout Flag Retirement Ceremony. All residents are invited and encouraged to attend. We

would like to extend an open invitation to all Boys Scouts, Girl Scouts, Brownies and Cub Scouts to join us in this vital effort to remember those who perished and those who came to their assistance during that tragic time.

FLAGS NEEDED

If you have a flag that you would like properly retired at the September 11th Patriots Day event, please drop it off at either the Community Center or the Township Municipal Building.

Emergency Management

In the past month and a half Americans have been glued to their television sets watching as the events unfolded as a result of the Boston Marathon Bombings and the West Texas fertilizer company explosion. Most recently we watched the destruction in Oklahoma, and in particular the community of Moore.

In each instance, authorities immediately instituted their Emergency Operations Plan (EOP) to guide emergency responders through the aftermath and recovery.

Hanover Township has one of the most robust Emergency Management Plans in the Lehigh Valley. While the events were unfolding in Boston and East Texas, our plan was being updated. On May 14th the Board of Supervisors Re-Promulgated the Township's EOP with copies distributed to the appropriate parties.

While the hope is that the plan never has to be implemented, it is current and up-to-date.

Township Officials Attend Annual State Convention

Supervisors Chairman John Diacogiannis, Township Manager Jay Finnigan, Public Works Director Vince Milite, Treasurer Ryan Kish, Zoning Officer Yvonne Kutz and Code Enforcement Officer Liz Gehman attended the 91st Annual State Convention of the Pennsylvania State Association of Township Supervisors April 21st – 24th at the Hershey Lodge.

More than 4,000 township officials, exhibitors and guests participated in the four-day event.

The purpose of the annual convention is to provide township officials with information to help them better serve their constituents and to give them an opportunity to exchange ideas on important local government issues.

Heading the list of notables who spoke were **Gov. Tom Corbett, Lt. Governor Jin Cawley, Senator John Eichelberger, and Pennsylvania State Police Commissioner Frank Noonan.** The proposed increase in transportation funding for state and local roads and bridges and mass transit was a key issue during the conference.

During the convention's business session, delegates adopted resolutions establishing the official policy of the state association. These resolutions will serve as guidelines for the association in pursuing legislation and regulations favorable to townships.

Pennsylvania's 1,455 township's of the second class represent more than 5.5 million Pennsylvanians and make up the largest of the four types of municipal governments in commonwealth.

KRISTOPHER S. MATTSON

Emergency Management Coordinator Honored

Kristopher S. Mattson, Emergency Management Coordinator for Hanover Township, Northampton County Pennsylvania was presented with the "Spirit of KEMA" award by the Keystone Emergency Management Association's Eastern Area President Angel Gillette. The award is given to a municipal emergency management coordinator who fosters the spirit of emergency management and advocates the advancement of the field. The award established by the KEMA Board of Directors in 2011.

Kris, his wife Rachel and two daughters, Audrey and Chelsea are residents of the Township. Kris is employed by Tetra Tech as an Emergency Management Program Specialist.

Kris Mattson and Angel Gillette

NO NEED FOR *SPEED* IN HANOVER

The Township continues to receive a large number of complaints from residents who are concerned with drivers speeding, not only on major and secondary roads in the Township but also in our residential neighborhoods. The speed limit on local roads in residential neighborhoods is 25 miles per hour. With nice weather approaching and the expected seasonal increase in pedestrian and bicycle traffic on the roads, safe driving should be foremost in all motorists' minds.

**REDUCED
SPEED
AHEAD**

LIONS CLUB NEWS

Members of the Hanover Township Lions Club have elected new officers for Lions Year 2013-2014. President, Paul Scheltzer; Secretary, Larry Williams; Treasurer, Richard Lambert; Membership Chairperson, Paul Tanzosh; Tail Twister, Nicholas Facchiano; Chaplain, John McGaughey; one year Directors, Ana Morganello and Nancy Prostko and two year Director, John McGaughey.

The Lions Club is interested in meeting individuals who want to help our community, and improve the world around us. If you want more information about our club, its activities and meetings, please contact the following Lions Club President, Paul Scheltzer at 610-691-6999, or Club Membership Chairperson, Paul Tanzosh at 610-865-1318. Thank you.

DETECTIVE SERGEANT MICHAEL MELINSKY HONORED

Detective Sergeant Michael Melinsky was recently honored by the Lehigh Valley Crime Stoppers for his work in drug enforcement, particularly in confiscating property and cash to further narcotics investigations and presenting educational seminars to community groups.

Sgt. Melinsky joined the Colonial Regional Police Department in 1995 and has been a police officer since 1985, originally with the Borough of Bath and later the Borough of Nazareth. In 1997 Melinsky was promoted to Sergeant and in 2010 a Detective Sergeant.

Melinsky was an original member of the Northampton County Drug Task Force when it started in the late 1980's serving in various capacities including the regional supervisor for the Northern Tier. In his current position he is responsible to oversee the detective division and concentrates on vice crimes including prostitution and drug offenses.

Detective Sergeant Melinsky with his award.

NATIONAL NIGHT OUT

National Night Out will be held at Hanover Township's Municipal Complex on Tuesday, August 6th from 6-9 p.m. You are invited to meet with members of the Colonial Regional Police and the Township Crime Watch who will be on hand with games and prizes for the kids, "Kids Picture ID cards" and Homeland Security Packets. Rain or shine, there will be free hot dogs, ice cream and birch beer. Look for flyers during the summer for further information.

FROM THE PUBLIC WORKS DIRECTOR

PET OWNERS:

1. Dogs are not allowed in Township Parks or on Township Property.
2. Dogs off owner's property shall be under owner's control at all times (leashed).
3. Please clean up after your animals.
4. All dogs shall be licensed with the County. (Forms available at Municipal Building or on the Township web site www.hanovertwp-nc.org)
5. Cat owners! Please be aware that as a cat owner **YOU** are responsible to keep your animal on your property. This has become a big problem over the past few years.

ALARM SYSTEM OWNER'S:

Please remember if you have a **Monitored Alarm System or Automatic Protection Device** it must be registered with the Township. (Ordinance 96-1)

STORM DRAINS:

- Please remember it is illegal to dump ANYTHING in a storm drain, i.e.
- Drain oil, Anti-Freeze, Paints or Thinners.
- Dog or cat feces.
- Grass clippings.

PROPERTY OWNER'S

Please note that the Township when time permits trim's trees overhanging the roadway, to provide proper clearance for vehicles. If you do not want your trees trimmed by the Township please have your trees trimmed regularly.

Property owners who live on corner properties should also be aware that you should not plant anything in the "Clear Site Triangle".

Shrubs and pine trees overhanging the road have also become a problem. Please keep all trees and shrubs behind the rear face of curb.

Proper clearance for pedestrian's walking on sidewalks has become a problem in some areas. Please remember this can be a liability to you. We recommend a 7' clearance.

Remember to remove the weeds along the curb along your property (front and rear).

Properties with sidewalks should maintain them clear of all debris, grass and weeds from edge to edge.

Dumping grass clippings or ANY debris on empty lots is against the Township Ordinance 71-5. Violators will be fined up to \$300.00.

RAFFLE: Beautiful Hand Sewn QUILT- donated by the Quilting group at HTCC!

In Memory of the Boston Marathon and Athletes Everywhere

First Strides

Fall program starts Thursday,
July 25th.

Come join the women of First Strides as you improve your fitness level over a 12 week period! 6 pm start time.

Hanover First Stride participants and organizers supported the local walk/run held recently at Sand Island in response to the Boston Marathon tragedy. Odra Anderson wrote, "I gave out 50 bibs! It was amazing to see everyone come out to support our fellow runners, their friends and their families who were affected at the Boston Tragedy. Despite the weather and the last minute invitations, we all showed up. It just proves to show that runners do not let anything stop them. This determination we take to the races, we take everywhere. It defines our character and improves us as a person."

Odra Anderson encompasses the goals of the First Strides program when she wrote, "I hope the beginners were inspired when they saw those Boston Marathoners - and

the other runners too! I only started running back in May 2011 and I started where we all started - WALKING. Since then, running has definitely improved my character and my determination. I've said it before, it has really changed me and somewhat, invigorated me. I also have kids (a 15yr old and a 3 yr. old) and I found myself starting to get lost. Running has changed that for me. I knew I owed it to myself, and to my family to share a "better me." So, finally, I decided that most of the limitations are self imposed, and I started pushing through the walls and boundaries. Here I am now - still pushing, but happily so."

We invite you to join our First Strides program in Hanover and be inspired!

FITNESS NEWS

HTCC offers a variety of fitness classes to support your fitness goals. A monthly calendar can be picked up at the front desk. New classes to note: Spinning Express on Tuesday at 6 pm will be offering a high intensity interval experience challenging the best of riders. Thursday evening a new Butts & Guts class will target those trouble zones and get you ready for the beach!

New functional fitness aids are available in our aerobic studio along with some upgrades in our fitness room. If you are looking for a comfortable environment to meet your fitness needs, HTCC may be the right place for you.

Stop by for a tour today and learn how we can help you improve your quality of life.

NEIGHBORS - Anyone living on the walking route above, please stop by and pick up a pink ribbon for your tree or mailbox at HTCC to show support!

Armed Forces Day

On Saturday, May 18, 2013 Hanover Township celebrated Armed Forces Day at Armed Services Park. Welcoming a disappointing but enthusiastic crowd, Supervisor Chairman John Diacogiannis, offered the following remarks, "On August 31, 1949, Secretary of Defense Louis Johnson announced the creation of an Armed Forces Day to replace separate Army, Navy and Air Force Days. The single-day celebration stemmed from the unification of the Armed Forces under one department -- the Department of Defense. In a speech announcing the formation of the day, President Truman "praised the work of the military services at home and across the seas" and said, "it is vital to the security of the nation and to the establishment of a desirable peace." In an excerpt from the Presidential Proclamation of Feb. 27, 1950, Mr. Truman stated: "Armed Forces Day, Saturday, May 20, 1950, marks the first combined demonstration by America's defense team of its progress, under the National Security Act, towards the goal of readiness for any eventuality. It is the first parade of preparedness by the unified forces of our land, sea, and air defense". Hanover Township today, May 18, 2013 is proud to carry on the tradition honoring those that have served, are serving and will serve with our Second Armed Forces Day Program."

The keynote speech was given by Captain John Wittmaak, Commander of Company C 228th Brigade Support Battalion in Allentown. Captain Wittmaak was born in Los Angeles. After high school he became a para-

medic and worked in Los Angeles and surrounding areas. He entered the service as an enlisted Airman and became an enlisted nurse and was recruited for a special operations response team as the medic.

When he left the service he continued his education graduating from Weber State University with Bachelors in Criminal Justice and minor in Nursing. He earned his Master's Degree in Management from American Military University.

He served as police officer for several different agencies as a Patrol Officer, SWAT Officer/Medic/Team Leader, Investigator, among others while living in Salt Lake City, UT.

He returned to military service in early 2001 joining the U.S. Army as an enlisted Combat Medic. He was sworn in as an Officer in 2002 in Salt Lake City in the U.S. Army Reserves. Later became a Federal Air Marshal and moved to the New York City and Newark Field Offices.

He served with 1-109 Infantry during Operation Iraqi Freedom and is currently the Commander of C Company 228th Brigade Supply Battalion. Captain Wittmaak is married and has three sons.

Congressman Charlie Dent also offered remarks.

Please put May 17, 2014 at 10:00 a.m. on your calendar today. Celebrate and honor the members of our Armed Forces who protect our freedom every day.

Captain Wittmaak offering remarks on May 18th.

RESIDENTIAL WASTE AND RECYCLING BILLING 2013

In January each residential property owner received their 2013 Residential Waste & Recycling bill which had a discount date of March 15, 2013 and a due date of April 15, 2013. Bills that have not been paid received a reminder notice postcard around May 7th. Please pay your bill as soon as possible to avoid additional fees and charges.

2012 Delinquent Bills

Eighty-two (82) homeowners who did not pay their 2012 bills after numerous billings and reminders had their properties lienied to collect their fees.

EMS Corner

by EMS Captain Karen Van Why

CPR CHANGES for the EMS Provider

In the past, ambulance crews responding to a sudden cardiac arrest would begin CPR and quickly move the patient to the ambulance for transport to the nearest hospital. Advances in medicine and studies conducted with regards to cardiac arrest have shown that if a person is going to go into cardiac arrest again, the chances of them doing so are more likely within the first 10 minutes of their heart restarting.

WHAT DOES THIS MEAN?

The ambulance crew will be working very quickly, very diligently and will be treating this person as if it was one of their own family members. The ambulance crew may not be moving the patient out of the residence for **at least 10 minutes** because the best chance of survival for the patient is continuing CPR along with advanced medical treatment *in the residence* prior to moving the patient. If there is a return of a heartbeat, the ambulance crew may spend *10 additional minutes* getting the patient 'packaged' and ready for transport out of the residence and enroute to a hospital. By following this recommendation, the chance of survival should, the person 're-arrest' will increase

because Emergency Medical Service will be able to quickly begin CPR and monitor the heart throughout the process.

CPR & SUDDEN CARDIAC ARREST

Who can **YOU** save by learning CPR? The life **YOU** save with CPR is mostly likely to be a **loved one**.

Sudden Cardiac Arrest stops the heart due to an electrical problem, and the person loses consciousness and has no pulse. For every moment that passes, the chance of survival in a Sudden Cardiac Arrest victim will decrease by 10%. So, bystander CPR needs to be initiated quickly, don't wait...call 9-1-1, press hard and fast (100 compressions a minute to song popular song by the Bee Gee's, Stayin' Alive) in the center of the chest and continue doing this until help arrives. *You can make a difference!!*

If you see an unresponsive adult who is not breathing or not breathing normally, call 911 and push hard and fast on the center of the chest.

To learn more about HANDS ONLY CPR see the link below. It only takes 60 seconds to learn how to save a life.

http://www.heart.org/HEARTORG/CPRAndECC/HandsOnlyCPR/Hands-Only-CPR_UCM_440559_SubHomePage.jsp

TEEN EMS CAMP

Are you a teenager looking to find out more about public safety and healthcare careers?

The George E. Moerkirk – Emergency Medicine Institute (GEM-EMI) of Lehigh Valley Hospital is offering an extremely structured program for motivated teenagers to find out what it is like to be involved in public safety careers. This program involves learning about what is involved in becoming an emergency medical services (EMS) provider. Topics covered throughout the week emphasize career professionalism, personal health and wellness, the knowledge skills and abilities required to work in public safety careers and mini tours of hospital

departments are also planned. Course participants will have the opportunity to interact with EMT's, paramedic's, fire-fighters, emergency room nurses, doctors, flight paramedics and nurses. The participant will also become certified in CPR and first aid. Upon completion of the program - participants will have a better understanding of public safety roles and careers.

To register for the "Teen EMS Camp" go to <http://www.emi-lvh.net/> and scroll down to the "Teen EMS Camp" page.

Tourism in Pennsylvania

A COLUMN BY REPRESENTATIVE
MARCIA M. HAHN, 138TH LEGISLATIVE DISTRICT

Rep. Marcia M. Hahn

One of my new responsibilities this term has me serving as a member of the House Tourism and Recreational Development Committee. Tourism is big business in Northampton County, as well as throughout Pennsylvania. It is a \$38 billion statewide industry which employs approximately 461,000 people with an average wage of \$15 an hour, and generates a combined \$3.5 billion in local and state tax revenue.

Pennsylvania is often described as a perfect mix of rural and urban, with its two big cities (Philadelphia and Pittsburgh), smaller towns and everything else in between. That mixture is also one of our strengths when it comes to tourism.

We have great historical attractions, especially this year with the 150th anniversary of both the Battle of Gettysburg and President Abraham Lincoln's Gettysburg Address. As a result, millions of people are expected to visit Adams County and the surrounding area. Pennsylvania has a number of opportunities for family entertainment, whether it is at the numerous amusement parks around the state, or one of our 120 state parks.

Closer to home, Bath Borough recently celebrated its 275th anniversary. The Jacobsburg Historical Society, with the Pennsylvania Long Rifle Museum and John Jacob Henry House, is a great way to learn of Northampton County's historical significance.

California is often referred to as "wine country," but there's no need to travel that far west. We have the Lehigh Valley Wine Trail in our own backyard, and the wineries of Erie County have certainly put Pennsylvania on the map.

If you would like to learn more about tourism in Pennsylvania, please visit my website, www.RepHahn.com. You can watch my interview with state Rep. Jerry Stern, majority chairman of the House Tourism and Recreational Development Committee.

When it comes to your entertainment dollar, there really is no need to go great distances and spend an enormous amount of money. From a tourism standpoint, we really have everything you want in Pennsylvania. Our state remains a great place to live, work and raise a family.

Hanover Township Crime Watch

Danielle McFadden, Joan Rosenthal and Mark Iampietro comprise the Hanover Township Public Safety Committee and oversee the Township's Crime Watch. They are charged with maintaining a functioning program. Over the years, residents come and go, so it is time to ensure that Block Watches are functioning and to encourage neighborhoods to start up programs where one does not exist.

To that end, Crime Watch is asking block captains to contact Mark Iampietro with their names, physical address, phone number and email address to update the Township's records. Also, Crime Watch is seeking individuals to serve as block captains and can contact Mark as well.

Crime Watch, Block Watch and Neighborhood Watch all mean the same thing. In addition to assisting in the --prevention of crime, it serves as a springboard for the efforts that address other community concerns such as recreation for youth, child care and other concerns. A strong active program builds pride and a much needed sense of community. "Neighbors Helping Neighbors!"

Mark can be reached at 610.866.7364 in the evening or via email at miampietro@betha.com.

9th Annual HANOVER TOWNSHIP MEMORIAL GOLF TOURNAMENT

SATURDAY, JUNE 15th

Woodstone Golf Club, Danielsville, PA

1:30 PM shotgun start

4 person scramble with refreshments and prizes
for longest drive, closest to the pin,
putting contest and more;

\$100/person - Golf registration includes social
event/dinner at Amoré Winery on Beth-Bath Pike
(Route 512) in Bath, PA on Fri., Jun. 8

For the ninth consecutive year, Hanover residents are organizing a charitable golf tournament to help support post secondary education costs for children who are residents of Hanover Township and who have lost a parent. The tournament is in memory of the late Joyce (Carr) Baskerville, John Rider and Thomas "Tom" Schmidt, each a long-time Hanover Township resident and active community participant. For the past eight years, scholarships have been provided or set aside for each of their children in support of their post secondary educational activities.

Tournament sponsors include Pizza Village Catering, Tanczos Beverage, Woodstone Golf Club and many others. Donations can be made to H.T.M.G.T. Fund, Attn: Mike Posch, 800 Clearview Lane, Bethlehem, PA 18017; tel. 610/691-8077; Email: mike.posch@htmgt.org.

To register for the golf tournament and social, please contact Mike Muller at 610/954.9774 or mike.muller@htmgt.org. For more information go to www.htmgt.org.

Hanover Elementary School News

by Andrea Mosley, PTA President

It's hard to believe that it's Spring and the school year is almost over. All Elementary schools have concluded their PSSA's with students and teachers affirming all the work learned throughout the current and prior year.

We took time for some fun activities to include: an Amazing Spring Book Fair, Reading Across America featuring Dr Seuss, Gertrude Hawk Candy, Spring Clean up, Arts and Science Day, Teacher Appreciation Week, Movie Night, Year Books, Bingo, Markey Day, and so much more. If you missed our last meeting you missed an awesome opportunity to sit, chat and ask questions with Dr. Roy-BASD Superintendent.

Among other things we were enlightened on the goings on of the building of the new Nitschmann Middle School; the BASD budget and finances and grants for after school programs. Dr Roy also discussed the cost of replacing, fixing and updating our buses, our You Tube blurb on BASD Education Foundation <http://www.youtube.com/watch?v=QTC93aTDhoI>, Charter schools and programs, our gifted programs analyzed, Safety programs for our teachers and students and so much more.

As we bid adieu to the class of 2013, we are reminded that the time with them passes quickly.

As summer fast approaches we urge parents to partner with the Hanover Community Center for summer days of fun with pool passes and summer time fun. We thank you for all that you have done in the past and continue to do for our children in the future.

Have a safe summer.

Mailbox Numbers

Thank you to all the residents who have properly marked their mailboxes with 2" reflective numbers. If you have not marked your mailbox remember it helps emergency responders find YOU in your time of need. Please mark them as soon as possible with 2" reflective numbers on **both sides**.

Acquired Structure Training and New Rescue Truck

by Fire Chief Craig Wasem

Acquired Structure Training

Over the past few years, our fire company has had the opportunity to train in several acquired buildings and homes within the township. Typically these structures are scheduled for demolition to accommodate for renovations or new construction.

Recently we were able to work with Bethlehem Orthodontics who took ownership of a property at 3076 Schoenersville Road. The building was previously occupied by PNC Bank, however the current building was not going to suit the needs of Bethlehem Orthodontics, therefore it is scheduled for demolition.

Bethlehem Orthodontics had given us full access to the building and allowed us to stretch hoses, deploy ladders, fill the building with artificial smoke, and practice rescuing occupants. Having an unfamiliar building to practice these skills in is an excellent opportunity for our members.

In the past we were given similar access to train at Faulkner Cadillac, and a single family farm house on Shelly Lane, where we practiced forcible entry, roof ventilation, overhaul, and simulated fire attack.

If you or someone you know is going to be demolishing a property in the township, please feel free to contact us and provide our members a unique training location.

New Rescue Truck

As we continue to work with our Township Manager and Board of Supervisors, it came time for us to design a replacement rescue truck. The apparatus that is being replaced is a 1992 Ford L8000 19 foot walk-in rescue. The existing truck has seating for eight firefighters, 6,000 watt light tower, and two hydraulic reels for Hurst rescue equipment.

Members from the fire company formed a committee to design the new rescue truck. We discussed several different options and layouts. The truck committee toured several local apparatus in the area to get new ideas and concepts. The committee also had two manufactures bring newly built apparatus to or station so we could examine and operate similar vehicles prior to designing a truck to suit all of our needs.

As you can imagine, as time passes and new technology is implemented, the twenty plus year or truck is also outdated. The new unit will have all of the cutting edge tools and technology to better serve our community.

During their April 23rd meeting the Board of Supervisors awarded the bid to build the new unit to Marion Body Works in Marion Wisconsin. The truck will cost about \$450,000.00 and we are hoping to take delivery of the truck around this time next year.

Special "Thank You" to the members of the rescue truck committee, the Township Manager and Board of Supervisors.

Eagle Scout Reinhart

Tyler Jacob Stephen Reinhart recently earned the rank of Eagle Scout. He received his award as a member of Troop 347, Sacred Heart Church, Bethlehem Township. There he served as Librarian, Assistant Patrol Leader, Patrol Leader and Senior Patrol Leader. He also earned the Order of the Arrow and is a member of the Venturing Crew 347.

Tyler's Eagle Project was to organize a Wish List Drive for the Philadelphia Ronald McDonald House and recruited high school friends to prepare and serve dinner to the families staying at the Ronald McDonald House while their children are in the hospital. The drive realized over 2,000 items that ranged from toiletry items to 32" televisions.

Tyler was honored for his achievement at an Eagle Court of Honor on May 27th. Tyler attends Liberty High School and plans to attend Penn State University and major in veterinarian sciences. He is a member of the Grenadier Band and Key Club at Liberty. He holds a junior Black Belt from the Bethlehem Karate Academy.

COMMUNITY SERVICE

Hanover Township Volunteer Fire Company is always in need of volunteers to serve our community. Is your teenager looking for a place to receive community service hours mandated for school? We have many students who have joined our organization to serve their community as Fireman, Fire Police or EMT's. All required training and equipment is provided at no cost to you. If you are interested in exploring how you can help serve your community, contact us at the station 610-867-2103, stop by our station on any Monday nights at 7 pm to watch us train or visit our website at http://www.htvfc.org/home/about_htvfc.

Thank You

We extend our thanks to *Traditions of Hanover* for hosting the **3rd Annual Appreciation Breakfast** for Emergency Responders.

We extend our thanks to *The Atria* for hosting the **1st Annual Appreciation Breakfast** for Emergency Responders.

PENNWATCH OPENS STATE FINANCE TO PUBLIC

A COLUMN BY SENATOR PAT BROWNE,
16TH SENATORIAL DISTRICT

Senator Pat Browne

Tremendous advancements in technology have given the public greater access to state government. When I was first elected to office, you had to come to Harrisburg to see a legislative session. You had to make a request in writing or visit an office to get a document. Now, with technology, the citizens of the Commonwealth of Pennsylvania can have direct access online to the interworking of state government.

As part of that effort to provide transparency in government, I was the prime sponsor of the Pennsylvania Web Accountability and Transparency (PENNWATCH) Act in the Senate, a measure that formed the basis of Act 18 of 2011. The key requirement of that measure involved the creation of a website and searchable database that gives the people of the Commonwealth an unprecedented opportunity to fully monitor the fiscal activities of state government.

I am pleased to report that the site www.pennwatch.pa.gov went online on December 20, 2012. With PENNWATCH, we took transparency to a whole new level. This is something that would have been unthinkable just a few years ago. Citizens now have unprecedented access to what their state legislators and governor are doing.

We have made accountability and transparency in government a top priority. We have embraced new technologies by streaming legislative sessions live online and creating public-searchable databases of legislation, roll call votes and lobbyist disclosure reports. We have made ourselves more accountable through amendments to the Open Records Law, through the Independent Fiscal Office and through the Governor's Open PA website. But, without the information and technology available through PENNWATCH, citizens would still not have the information and resources to follow how and where their tax dollars are being spent.

The increasing public demand for access to information - at all levels of government - made PENNWATCH the logical, broad-based follow-up to those government reform measures already in use.

Under the provisions of Act 18, PENNWATCH enables people to see the interactions between Commonwealth agencies and their individual vendors. The ledgers will be opened to allow citizens to monitor spending. Personnel records will be opened to provide basic information about staffing across state departments and agencies.

This information empowers the people of Pennsylvania by holding state government accountable for its expenditures. It

continued, see Browne - page 14

Where Can I Take My Electronics?

As you may or may not know, as of January 24, 2013 you are no longer able to dispose of electronic devices in your regular trash.

The Pennsylvania Covered Device Recycling Act, enacted in 2010, prohibits the disposal of devices such as computers, laptops, monitors and televisions.

More information on the Covered Device Recycling Act is available at www.dep.state.pa.us; Keyword: Electronics Recycling.

With that being said; you are able to take the above-mentioned electronics, as well as cameras, cell phones, hair dryers, keyboards, radios, telephones, vcr's and many more items to the following location:

FreeCycle: 795 Roble Road, Allentown, PA, 18109

FreeCycle offers FREE electronic recycling for Pennsylvania residents and small businesses under the laws of the new CDRA Act 108. (Recycling of Freon bearing items cost \$20.00 each). **Hours of Operation: M-W-F 9:30am to 4:00pm and every 3rd Saturday of the month.**

For more information and a complete list of items accepted, visit the Township Website under the Recycling Tab - Residential Recycling. www.hanovertwp-nc.org.

Bethlehem Compost Center Update

- New Hours:
 - ✓ Monday through Friday 9 am to 2pm
 - ✓ Saturday 9am to 3pm
 - ✓ Sunday 10am to 2pm
- Compost ID's are needed to drop off Yard Waste AND pick up Mulch

 - ✓ Hedge trimmings and Garden plants
 - ✓ Christmas Trees: free of ornaments and tinsel
- Materials NOT accepted:
 - ✓ Hay, Sod, Grass Clippings, Tree Stumps, Plastic bags, and Ornamental Grasses

ASA PACKER NEWS

by Rebecca Gonzalez, PTA President

With the end of the school year upon us, we look back fondly on all of the memories made and great times shared. We remember fun filled nights of Ice Skating, Friendly's Family Night, and Roller Skating. We smile when we think of our Talent Show and the amazing students who performed. We're proud of all that we've accomplished as a school. We raised money to improve technology and were rewarded for our efforts during our Walkathon. We tackled the PSSAs head on and celebrated their end with treats, Zumba, and a Cup Stacking Contest. We'll never forget how our teachers served us pancakes at Applebee's or took us on field trips. We will fondly remember Mr. Horvath and the Asymmetricals, classrooms parties with our friends,, and the talented contributors to Arts Day. We look forward with excitement to our Patio Party, the grand finale of PTA events. Thank you to the Asa Packer family, for a fantastic year, and thank you to the community who supported us along the way. Without you, we wouldn't have been able to do all that we do for our children.

Asa Packer Memories

by Samantha Taylor

Looking back on our first day,
Did we really look that way?
Wearing our new Asa shirts,
Our little hands got full of dirt.
Our parents said, "Please don't fear,
You're really going to like it here."
Kindergarten, our first year of school,
Learning ABCs and 123s was so cool.
The first grade teachers felt the need,
For all of us to learn to read.
Second grade was book buddies,
And taking tests.
We all made friends and tried our best.
Third grade was quite a change.
A brand new teacher with Fun-Friday games.
In fourth grade we had lots to do,
Weekend Writing, animal keynotes, and Science Fair, to name a few.
Wow! Our fifth grade year was such a blast.
I wish it hadn't gone by so fast.
Thank you, teachers, for all you've done.
Watch out, Nitschmann, here we come!

BROWNE *continued from page 13*

is important for them to be engaged in how their tax dollars are being spent. But they can only be engaged with the ability to access that information, which PENNWATCH gives them.

I strongly believe that PENNWATCH will be an excellent tool for Pennsylvania in continuing our efforts to make State government more transparent and accountable. The timeliness of this is important given the revenue capacity of the state. We are making difficult financial choices in Harrisburg. For our citizens, it is vital that they know what those choices are and what priorities we have set for spending.

This is a whole new day of transparency in state government.

Shade Tree Advisory Board

PLEASE DON'T TOP TREES

Topped (Butchered) Tree

Photograph by Fred Baker,
Utah State University

1. TOPPING is against the law and can carry a fine of up to \$2000 (Hanover Township Ordinances 168-5 and 168-8).
2. TOPPING is VERY unhealthy for the tree.
3. TOPPING is what uneducated tree trimmers do (it's easier and cheaper for them, but very costly for the tree in the long run).

Hire an ISA CERTIFIED ARBORIST, who knows how to prune correctly (ask to see the ISA certification).

REPLACE YOUR TREE

If you lost a tree in the Township right-of-way from a storm or other cause, you must submit a permit (available on the Township website or from the office) and replace the tree with one of the proper size (2 – 2.5 inch diameter) from the Township's Approved List.

EMERALD ASH BORER (EAB)

If you have an ash tree on your property, see the section on EAB on the Township's Shade Tree website for up-to-date information on protecting your tree from certain death in the next several years.
