Some positions require members to gather and review information outside of the meetings that are held. Chairperson or staff is able to provide a better understanding as to the commitment that is needed for each position.

Upon receipt, your Talent Bank Form will be reviewed by the Township to determine if a current match exists between your desire to serve and openings that currently exist. Dear Ali Ritter & Hanover Township Northampton County,

Thank you for having D.H. Productions as your entertainment for your special occasion on December 1, 2023. Please take a few minutes to read this letter so that it can help you to fill out the information sheets.

It is very important to sign the contract and return it by February 3, 2023. This is to ensure that your special occasion on December 1, 2023 is booked with D.H. Productions. If your contract is not returned by February 3, 2023, your contract will be void. The balance of \$300.00 by Credit Card (3% Convenience fee applies) or check is due one week prior to event date. Payment in the form of cash or money order may be made upon the arrival of the disc jockey on December 1, 2023.

Now take out all of your information sheets; This allows us to know where your occasion is taking place, the telephone numbers, in case we have to contact either you or the hall, and directions to the occasion. This is also for requests to be played or not to be played, and any general music requests. Fill in the appropriate information and return it no later than 30 days before your special occasion on December 1, 2023. D.H. Productions event coordinator will call and confirm all your formatical information two (2) weeks prior to your special occasion. In the event that a D.H. Productions event coordinator is unable to contact you two (2) weeks in advance, your information that has been returned to us will be provided to your entertainer.

D.H. PRODUCTIONS is open for suggestions and comments after each show. Even though we hand out comment sheets at the show, we still want your opinion. Please help us maintain top quality and high performance at each show. Since this is important to us and you, our client, please write us at the above address after your occasion.

We no longer carry CD players with us, we are all digital. If you plan to supply any tracks for us, we accept mp3 format through Google Drive, Dropbox or Email. If you have other forms of media like CD, cassette, LP or 45 records, please contact us so we may assist your needs prior to your occasion. Majority of songs we play are purchased through a Broadcast Radio Supplier and have been pre-edited for radio air play. There are seven (7) words that cannot be Broadcast over public airwave all others are fair game. We respect the First Amendment of the U.S. Constitution and we can not legally change an artist's original artistic work without their permission.

Customer will not be granted any title or further rights of ownership to the Licensed Software.

4. Response Times. It is difficult for Service Provider to set response times for many of the Services, as many Services are complex services, and response may vary. When Customer contacts Service Provider, Service Provider will prioritize the incident and will endeavor to respond no later than 4 business hours after the Customer contacts Service Provider, with "Emergency" situations prioritized first.

As the setting of "priority" for an incident carries such an important weight in the delivery of a Service, it is imperative that this is carried out in a consistent and fair manner for all customers of Service Provider. The following are general descriptions and illustrations of what the priority levels may include:

Priority	Definition	Example
Emergency	All users on a site unable to work	<ul style="list-style-type: none"> • Virus Outbreak • Email server failure • Server crash • Network failure
